Our ref: 418078

Dear Mrs Weatherhead

Subject: Northgate School

Ofsted is always pleased to receive letters from parents and carers highlighting examples of good practice. I am writing to pass on compliments that we have received recently in an email from the parent of a pupil at your school.

The parent wrote to us about the support that you and your staff have continuously provided to her daughter. She explained that she considers that you and your staff are remarkable educators. She has described your leadership as exemplary. With the support of your team, you have gone above and beyond what would usually be expected to provide exceptional support not only for her daughter but for other vulnerable young people within your care.

I hope that you will bring this letter to the attention of your staff. I wish you and your pupils continued success, and I thank you for your work at Northgate School.

Yours Sincerely

PP

Madeleine Gerard
Senior Her Majesty's Inspector, London
